4. work with **SME team** to improve productivity of **production** team to achieve great target.
5. **stand first in defect report with least count of defect.**

● **DIGITAL SKILLS**

Programming languages and Frameworks

Core Java (Java 8) | Spring (Spring Boot, Spring Security) | Web services Microservices | REST API, | FlywayDB | spring batch | hibernate ORM | JWT Auth | JavaScript | Velocity Templates

Other technical skills

Swagger Documentation | Java (IntelliJ IDEA, Eclipse) | Maven PMD | Google Geocoding API | Experience in using Postman tools for API testing. | Atlassian (Bitbucket, Confluence, Jira) | ELK stack | Encryption/Decryption | Git, Git Hub, SVN | API support and Container support on Kubernetes | AWS | Linux & Unix | SonarLint | Apache Tomcat | TIBCO Jaspersoft

Database

Database: MySQL, Oracle Database

● **EDUCATION AND TRAINING**

Navi mumbai , India

MASTER IN COMPUTER APPLICATION BVIMIT, Navi mumbai

Final grade CGPA - 8.84

● **CERTIFICATIONS**

Programming In Java (Indian Institute of Technology, Kharagpur)

The Programming in Java certification from **IIT Kharagpur** showcases expertise in Java programming, with **Elite League Silver Medal** holders distinguished for exceptional performance in the field.

Cloud Essentials - Knowledge Badge Readiness Path (AWS)

Knowledge Badge Readiness Path is a structured program preparing individuals with foundational cloud computing knowledge for certification.

● **PUBLICATIONS**

2022

User Behavior Impact on Ubiquitous Computing

International Journal of Scientific Research in Engineering and Management (IJSREM)

www.ijsrem.com

DOI: 10.55041/IJSREM15391

● **HONOURS AND AWARDS**

Programming In Java IIT, Kharagpur – IIT, Kharagpur Elite Silver medal , Jan-Apr 2022

Volleyball winner khel ustav 2019 – K.G joshi college

Inter school rifle shooter winner – PEST , Thane
